Ron Jaworski
GOLF

The Golf Course

The course is a classic design that includes a mix of flat and hilly terrain as well as lush teeing greens and tight fairways. Water comes in to play nine times throughout the round and golfers will find that the challenging elevation changes make proper club selection off the tee and to the green a “must” in order to score well. In addition to challenging and rewarding play, the course offers some truly stunning panoramic views and beautiful scenery.

Private Event Space

Valleybrook offers a spectacular newly decorated Ballroom that seats 220 people for any type of function. With all catering done by Valleybrook you can make your special day an experience to remember. With the help of our experienced staff, we will assist you in taking care of every last detail!

Riley’s Pub

The perfect spot to unwind after a round of golf or a long workday. With a friendly atmosphere, multiple large-screen TVs, and an extensive menu of delicious food and drinks, it’s an ideal gathering place for sports fans and families alike. Enjoy outdoor patio seating and a cozy fire pit for those perfect summer evenings, or grab a quick takeout to enjoy on the go!
